

DOWNTOWN RESIDENCIA

A PROJECT BY DOWNTOWN PROPERTIES

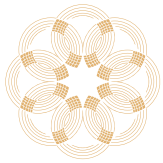

ABOUT US

Downtown Properties is a private real estate development, management and investment company, based in Islamabad. It was established by a group of seasoned real estate entrepreneurs, developers, civil engineers and financial consultants to modernize the concepts and practices of construction engineering, real estate development, management and marketing in Pakistan.

The firm operates multi-million dollars residential and commercial real estate projects; executes mega infrastructural ventures; and offers investment, development and property management services across the country and overseas.

It has established an entrepreneurial ecosystem which creates a congenial and team-oriented atmosphere that supports start-ups and collaborates with multi-disciplinary professional organizations to work for a positive change.

Project Developer MAAKSONS (Pvt.) Limited

Pakistan's Premier Infrastructure Developer

MAAKSONS Pvt. Limited has been transforming the infrastructural identity of Pakistan for the last six decades. Sustainable infrastructure and industrial development, residential and commercial project development and management, and the provision of benchmark engineering services are their core competencies. They pioneered experimenting international practices in the country's construction engineering, which subsequently, transformed the infrastructure development sector of Pakistan into a major economic domain.

Their vision and pragmatic contribution towards conceiving and implementing livable and smart future for Pakistan has been acknowledged at all levels.

DOWNTOWN RESIDENCIA

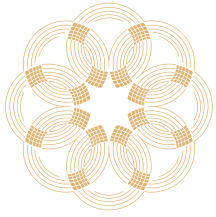

.....where fantasy and living converge

Nestled amid gentler fantasies of rural and sylvan scenes, harmonious aspects of nature, lustrous water features, and vibrant social environment, *Downtown Residencia* embodies the concept of smart and sustainable living in Pakistan. It offers dream homes, luxury apartments, state-of-the-art social and recreational hubs and country's largest commercial malls to converge fantasy and living right in front of your eyes.

Located on the cusp of the twin cities, *Downtown Residencia* is Pakistan's first smart sub-urban gated community, which connects **EIGHT** domains of your life through high-end technology to make your living smarter and exuberant.

Mobility | Healthcare | Security | Energy | Water | Waste | Economic Development and Housing | Engagement and Community

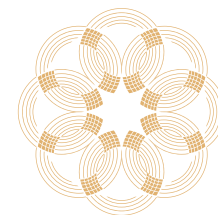

THE ROYAL INSIGNIA

Luxury Apartments

Envisioned as a neo-classical architectural masterpiece, The Royal Insignia unveils Pakistan's smartest apartments. Displaying an eco-friendly aura, the project offers a panoramic 360-degree view of *Sheffield Inn*, *Downtown Disney*, *Avicenna Health City*, and *Mary Parker Community Center*. It brings in a rooftop swimming pool with resort-style pool deck, a wellness center, kids' arena and rich vertical gardens to amuse your aesthetic sense, and let you enjoy the fantasy of a five-star hotel, shopping mall, community club and a mosque right at your door step.

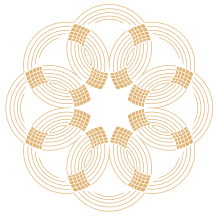

SHEFFIELD INN

Dream Villa

Nurtured among urban meadows, sublime and lustrous water features, revealing community centers, impeccable landscape, and most importantly, your expectations for a smart future, the *Sheffield Inn* is a premier community of Mediterranean-styled Villas ranging from 500-1000 square yards. It is a blend of occidental and oriental architectural splendors and the finest lifestyle, which holds unique mastery in creating a Mediterranean sanctuary for your family at the heart of suburban Islamabad.

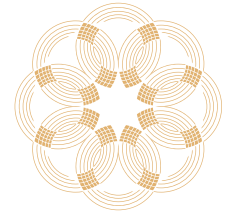

SOAN RANCHES

Organic Farms that Produce
& Deliver Purity

A stunning place with crystal clear air, breeze with swaying grasses and trees with warbling birds, is all we needed for Soan Ranches. The Farms will provide organic dairy products, organic poultry, organic red and white meat, organic condiments, and especially, extreme care and love for your balanced diet. Soan Ranches try to transform the location into a bustling ecosystem where among roses, lavender, marshmallow, herbs, and the native riparian bushland, the livestock stay strong to help us deliver good health at your door step

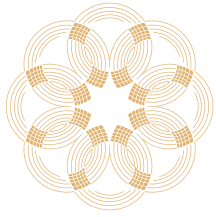

DOWNTOWN DISNEY

Pakistan's First Themed Adventure
& Entertainment Complex

With Downtown Disney, satiating your ever-rising stimulus for adventure, just beside your villa, is a daylight possibility now! No matter you're a child, an adult, or even a senior citizen, *Downtown Disney* has got your craze covered. Astro Blasters, Monorails, Tomorrowland, Sleeping Castles, Haunted Mansion, Jungle Cruise, Play Parade and the sweet tickles of your dream Mickey Mouse are all set to take you for a wonderful journey of surprise, fantasy and pleasure, which you may never want to forget.

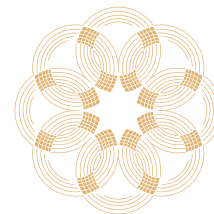

MARY PARKER

Community Center

Social work is indisputably a tough job, and if you have an uninspiring and outdated community center to do it, it's going to be tougher. Named after the founder of community centers, *Mary Parker Community Center* has the striking three-story structure with a distinctive tri-tone façade that hosts attractive facilities, including an atrium, an art studio, a lounge for adolescents, and a dance and fitness studio. Moreover, it houses a gymnasium, music room, daycare services, coffee shop, meeting rooms and a healthcare center, making it literally a one-stop shop for you.

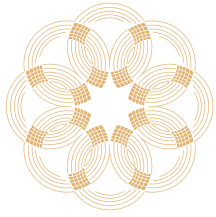

AVICENNA HEALTH CITY

STATE-OF-THE-ART HOSPITAL

At Downtown Residencia, the profound feeling for your invaluable health stands to be the founding principle of Avicenna Health City. Medical research at Avicenna hospital constantly push the boundaries of health care and redefine what is and isn't possible. The hospital keeps updated equipment and services in order to offer the latest in high-tech medical care. From specialist cancer centers with finest digital imaging scanners, to featuring cutting-edge technology and impeccably talented staff, Avicenna Health City is set to mark a start of new era in patient care.

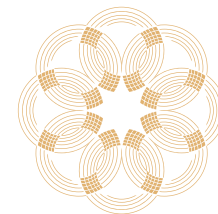

MASJID E BARAKAH

Twin Cities' Largest Mosque

Our inspirations of religion and spirituality have led us to transfigure mosques into charming architectural masterpieces. Set to become the capital's largest and majestic mosque, Masjid e Barakah unfolds yet any chapter of glory, grander and inspiration in our country's historic love for religious institutions. The mosque will have exquisitely decorated interiors and exteriors embellished with colored tiles, carved stucco, carved wood, calligraphy and intricately carved geometric stalactite designs to adorn the indoors and outdoors with a rarely seen architectural mastery.

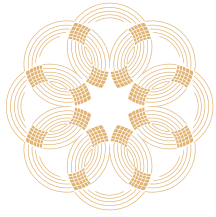

ALBERUNI'S

Pakistan's First Hi-Tech Technical & Vocational Training Center

Envisioned as an enlightened academy to nurture talented young human resource, Alberuni's pushes every boundary to produce responsible global citizens and future leaders through the exposure to challenging learning environment. It introduces high-quality content at par with the Industry standard, adept trainers with relevant work experience, availability of state-of-the-art facilities, advanced infrastructure, counseling services and much more to give a new course to entrepreneurship in Pakistan.

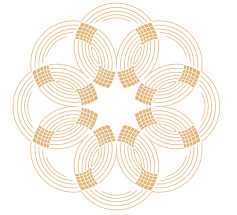

Downtown Artisans' Nest

Pakistan's First Community Level
Industry Promotion Program

As a giant step towards women's economic empowerment and promotion of house-hold small industries, the Downtown Artisans' Nest features incredibly talented artists and designers who stand out from the crowd. These artists are facilitated with every possible means so that they could push their individual craft to new heights by pioneering techniques or by bringing a contemporary flair to traditional handicrafts. We provide them a platform to create something great and unique and sell it to the world that is still unaware what we can do and achieve.

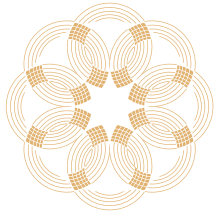

DOWNTOWN CAPITAL STREET

A Business hub for Retail, Corporate & Mixed Purpose Shopping Malls

As Pakistan's first dedicated financial hub, Downtown Capital Street enjoys a strategic and spacious location to provide existence to leading corporate and retail centers, mixed-purpose shopping malls, food courts and financial institutions including private and public banks and insurance and trading companies. The Capital Street is equipped with first-class infrastructure, communications, commercial systems, and transparent legal and regulatory regime which is backed by a stable management system.

DOWNTOWN ETHEREAL SQUARE

Pakistan's First Multicultural
Street Market

Multiculturalism that engenders global civilization - descended from uniform heritage, is diminishing. With Downtown Ethereal Square, the centuries-old tradition of trading, exchanging ideas, sharing cultures, and enjoying delights of co-existence around one particular street market has been rediscovered. The multicultural street market will let you experience the authentic essence of living different cultures by introducing yourself to different life styles all just a step away from you. In a nutshell, the Downtown Ethereal Square is a whole world in itself.
